Pharaoh's Storehouse

Priests' Storehouse

Old Wineskin- Church Building System

- Tithe to Government-run Institution
- Offers a bribe = <30% charitable tax receipt; Giving to get
- Illegal to financially benefit members due to non-profit status
- By Canadian Law, must be INCLUSIVE & "Tolerant" to keep Non-Profit status
- Reject the Laws & Covenant of God
- Children separated from parents for convenience & more fun
- Everyone supports the Pastor's success
- Foundation = Mithrayism (Baal's Sun-day Worship) / Roman Emperor Constantine's model / Steeple = Asherah's phallic symbol
- Ungodly Order: Gov't as the head, Bible-College Indoctrinated Slave masters, predominantly women and broken families
- Stronghold of slavery / Jezebel's bastards that lack discipline, nurture, & instruction of the Laws of God
- Goal: "Get them saved & acting religious."
- Run by Man-ordained Hirelings & their Pimps (Salaried pastors, Denominations)

Pimp (Church Denomination):

1. One who finds customers for a prostitute; a procurer.
2. One who provides others with the means and opportunity of gratifying their lusts; a pander.
3. (slang) To adapt or embellish in an ostentatious manner

Prostitute (Pastors/Church Buildings):

1. A person who engages in prostitution.
 2. A person considered as having compromised principles for personal gain.
 3. A woman given to indiscriminate lewdness for gain; a strumpet; a harlot. In criminal law it has been held that the element of gain is not essential or may be presumed.
 4. A person who gives temporary, fleshly intimacy for hire outside of the covenant of marriage.
- **Whore of Babylon!**

New Wineskin – Family Home model

- GIVE to the HOUSE Holy Spirit chooses
- No manipulation to give, Cheerful giving
- EXCLUSIVE:
 - Immediate homegroup needs FIRST
 - Obedient Extended Body of Christ SECOND
 - Gentiles get overflow.
- No government red tape on who/how/when/where/why to give
- Teach & Uphold God's Covenant
- Stronghold of Fear of the LORD & Holy Spirit Baptized Sonship
- Spiritual parents invest into the Family's success, not the children providing the parents' income
- Godly order in the home: Heavenly Father->Jesus->Husband->Wife->Children->outsiders
- Run by the Heavenly Father directing the family fathers
- Networked & supported by God-ordained 5-fold ministers & Apostolic Hubs
- Children remain with family unit
- Goal: Multi-generational discipleship & multiplication of healthy, believing families in intimacy with one another

Contrasting Wineskins

Old Wineskin:

- Bring offerings to pay for church building upkeep, salaries, programs, promoting the leader's worldly approval in the name of "Building the Kingdom!" while families crumbling & embracing LGBTQ agenda
- Pastors are the only ministers, Nicolaitan doctrine
- World's perspective = "They're always begging for more money", "Hypocrites!", they don't obey the Bible
- Fruit = Dropped from 7% to 4% born again believers in Canada in 1 generation. Promoted COVID mandates from the pulpit & most took the \$30,000 COVID bribe, proving unable to endure persecution without compromise.

New Wineskin:

- Using offerings to redeem brethren from slavery, restore the breaches, rebuilding the desolation of many generations, marriages saved.
- ALL are to be consecrated, set apart priests
- World's Perspective = "How can you love strangers like this? You guys actually DO what this Bible says!"
- Fruit = higher ratio of baptisms in homegroups than congregational setting. Everyone debt-free, through deliverance, & businesses invested in who participated. Did not bow to COVID, proving strength to THRIVE during persecution. New disciples' fruit is being noticed in their families & community.

5 Stages of Hezekiah's Restoration

(2 Chronicles 30-31)

- 1) Common people repent and apply the Passover blood on their sins themselves.
- 2) Humbled Levites repent
- 3) Stubborn Priests finally repented
- 4) Covenant Israelites freely bringing their offerings
- 5) So much provision = Build Storehouses.

Reality Check – Canadian Debt Burden

- In 2022, **30.2%** of Canadians don't have any debt.
- In 2022, the average Canadian owes around **\$73,500** to banks.
→ Since 1 out of 3 is debt free, the other 2 actually owe **\$110,250 each**.
- In **1980**, the household debt to income ratio was **66%**. Household debt in Canada increased to **180.02%** of the gross income in 2022!
- Canada income statistics from 2019 show **Canadians earned \$49,000 on average**. However, **half of all citizens earned below \$37,800**, which is the median yearly income.
- The average Canadian credit score is between 600 and 650
(**Landlords typically ask for 700+)

The Hidden Pearl of Kingdom Wealth

Already this year in 8 months, \$32,000 in debts paid from our homegroup still with only 5 tithers.

Imagine what a congregation of 350 people could do with this concept??? $350/5 \times \$32,000 =$ **almost \$2.24 MILLION financial impact in 8 months could happen for a SINGLE local church building** if they implemented this concept!

Niagara Falls has 100 LISTED registered church organizations in the yellow pages, not including all the unknown small groups with a population of 90,000. There are 12 listed municipalities in the Niagara Region alone. Using a very conservative figure of 100 churches / homegroups per municipality with a congregation of only 50 people $\times 12$ municipalities = 100 churches $\times 50$ members $\times 12 = 60,000$ members divided into 5 tithers per homegroup = 12,000 homegroups $\times \$32,000$ impact = \$348 Million equalized from 8 months to 12 months = **\$540 MILLION in 12 months available financial resources here in the churches within the Niagara Region ALONE!!!**

Factor in the savings incurred with this Priests Storehouse model **and that figure climbs to well over \$1.6 BILLION impact in a single 12 months** the Body of Christ could make!

**Niagara Region has a population of only 500,000. St. Catharines was the 3rd highest unemployment rate in Ontario at 6.0%, behind Toronto at 6.4% for July 2023.) <https://www150.statcan.gc.ca/t1/tbl1/en/tv.action?pid=1410035401>

The powerless church system is extremely inefficient with their tithes, putting finances into Pharaoh's purse filled with holes.

Debt Elimination Phases 1-5

- 1) Rescue the perishing in your home group
- 2) Pay off all non-mortgage debts
 - A) Your own homegroup
 - B) Accelerate other honeypots in relationship & accountability to you
- 3) Invest in income-producing ventures
- 4) Knock out mortgages
- 5) Possess & Transform your city with large scale Group Economics

Shemitah Principle – 7th Year of Release

- Charging brethren interest is forbidden in the Bible and brings curses
- 0% Loans instead of charity
 - Develops responsibility, character, & accountable community
 - Reduces freeloaders & manipulative takers.
 - Gives people dignity, instead of a handout that compounds their shame
 - Continuity of Relationship & Community support comes alongside to help provide discipleship & growth during the walk-out phase.
- Give loans with the ATTITUDE of a gift to guard your hearts from offense & bitterness when unpaid. Do not act like a creditor. The wicked borrow & do not repay, and will be cursed accordingly.
- All loan balances are wiped off the books on the 7th year, so there is a concrete end to the loan cycle.

Phase 1: Rescue the Perishing

- Immediate cash transfusion - stabilize life & give HOPE
- Save marriages and lives...financial stress = #1 cause of divorce, suicide.
- Humility, Transparency, Accountability, Holiness required
- Triage the NEEDS & Give First Aid
 - What can be eliminated? (Sell vehicles/cottages/collector's items, cancel memberships, stop supplements, surrender pets)
 - What can be combined? (Carpooling, 2 or 3 families bunking together, family phone plan, utility equalized payment plans)
 - What will cause death if not addressed immediately? (i.e unpaid property taxes = house auctioned off; bankruptcy that repossesses EVERYTHING; repairing business truck to keep business afloat; healing prayer)

Phase 1 Example:

- An unsaved, vaxxed businessman called in panic that they were shutting off his utilities, which would close his business to paying customers arriving in 30 minutes.
- He was instructed to hand the phone to the utilities serviceman, who provided the info on how to pay off the entire balance of only ~\$750 right then to keep the electricity on. The witness of unconditional love really shook the serviceman to the core, opening the door to testify about the forgiveness of Jesus to wipe out our spiritual debts we can't pay.
- The ability to meet the need IMMEDIATELY opened transparency & trust to expose his financial sepsis. A dream provided a front-loading strategy to pay off all his debts directly up front in exchange for 1 customer paying monthly service payments, saving income tax & interest growth. Late penalties of \$850/month were immediately eliminated, not including monthly interest growth.
- Healing prayer manifested complete elimination of chronically congested lungs & poor energy since the vax within 30 minutes, resulting in salvation & baptism in our tub. Emergency renovation supplies & labour provided by our homegroup network within 24 hrs of a ceiling leak. Relationships with his children, siblings, and parents were restored after their stony hearts were convicted by the act of strangers restoring him while they had looked the other way, later opening doors to share the love of Jesus & direct discipleship.
- He went on to provide low-income housing then kept multiple tenants during several months of non-payment as he helped two relocate for employment & a third pick up the pieces after the partner's vax-induced death.
- He provided much needed labour after hours to two contractors who lost their employees mid-way to finish their jobs. Overflow of food was funneled through his storefront to the homeless that passed daily.

Phase 2a: Pay off all non-mortgage debts

- Identify outstanding debts & prioritize
 - *FOLLOW HOLY SPIRIT'S ILLOGICAL LEADING!
 - Largest monthly payments eliminated to provide stability
 - Assets over credit card debt
 - Highest interest rates to lowest
- Pay debts off directly, not to person's bank account then bill
- When in doubt over Holy Spirit's leading, cast lots
 - Removes accusation of "favouritism"
 - Holy Spirit knows secret sins that are blocking favour
 - Include a "Don't pay anything" lot option
 - Example: Adam's van
- Deliverance ministry, Holy Spirit-led Discipleship, Biblical Financial stewardship, Hearing God's Voice, Covenant Law training to eliminate devouring, Accountability for changing bad habits to healthy habits
- Recycling Factor – Pay back 0% loan to accelerate others out of debt. TEAMWORK!
- Transparent communication of flow of finances & fruit manifesting. Success is motivating & contagious!

Phase 2a Example

- Single mom with 2 children buying groceries on credit cards due to food banks refusing unvaxed clients. Churches refusing to support non-card carrying members. Debt maxed out trying to keep roof over their heads & fearing eviction. Biological family had abandoned them due to her lifestyle.
 - Immediately, boxes of groceries sent home
 - Identified the severity of the financial bleeding
 - Eliminated 2 large debts & paid some monthly bills x 6 months
 - Baptized the mother, identified her spiritual gifting, & provided targeted discipleship
 - Found a family willing to absorb them into their family home rent-free
 - Her available gov't then work income went to slamming out remaining debts
 - Community pulled together for free babysitting & homeschooling to maximize employment opportunities for both host family & single-mom family.
 - 16 months later, they were on their feet in a rental, and absorbing 2 other family units with trashed credit to repeat the cycle of redemption.

Recycling Factor Example:

5 Tithers = \$100, \$150, \$270, \$460, \$500 = \$1480

Loans: \$5000 @\$465/mo (10 pymt); \$7500 @ \$370/mo (20 pymt);
\$11,000 @\$285/mo (38pymt), \$3000 @\$80/mo (37 pymt)

Month 1 = \$1480

Month 2 = \$2960

Month 3 = \$4440

Month 4 = \$5920 - \$5000 Bank Loan paid, \$465 pymt flipped into Honey pot

Month 5 - \$2865+\$465

Month 6 - \$4810+\$465

Month 7 - \$6755+\$465

Month 8 - \$8700+\$465 - \$7500 Bank Loan paid, \$370 flipped into Honey pot

Month 9 - \$3515+\$465+\$370 - \$3000 Bank Loan paid, \$80 flipped into Honey pot

Month 10 - \$2910+\$465+\$370+\$80

Month 11 - \$5305+\$465+\$370+\$80

Month 12 - \$7700+\$465+\$370+\$80

Month 13 - \$10,095+\$465**+\$370+\$80 - \$11,000 Bank Loan paid, \$285 flipped into Honey pot

**\$26,500 paid
In 13 months!**

Phase 2b: Pay off other groups' urgent debts

- Network with other homegroups to be a community support
 - Identify RESOURCES in each group & be willing to serve/leverage
 - Emergency Shelter
 - Material possessions
 - Time to serve
 - Relationships
 - Businesses/Landlords
 - Carpooling
 - Food
 - Spiritual gifts/Talents
 - Knowledge
 - Testimonies!
 - Employment
 - Clothing
 - Natural talents/skills
 - Employment skills
 - Pooling multiple groups overflows to meet larger needs quickly
 - Goal: Accelerated Traction. Creating Testimonies of LOVE
 - NO ENABLING or FREELOADING! Wisdom & Discernment!

Phase 2b Example:

- A debt-free elderly widower from Stoney Creek reached out asking how he could help with his meager pension income. God gave me a dream of him moving in with 2 other unvaxxed singles, shifting from 3 small apartments with 3 sets of utilities to 1 small house in Hamilton with 1 set of utilities, carpool, & group cooking to reduce monthly expenses.
- They applied the dream, widower paid the rent of \$1200 while they pooled their income to knock out their delinquent utilities/bills in 4 months. All 3 delivered from isolation-induced depression & neglect, creating a family environment.
- Our Niagara Falls Honey-pot overflow paid off the remainder of the final credit card debt.
- They opened up their living room for a homegroup worship nights, their testimony of financial deliverance resulting in neighbours' salvations & providing spiritual deliverance ministry, free food ministry, & carpooling to the homeless. The widower is now traveling to other homegroups to provide guitar worship & itinerant preaching, finally stepping into his destiny the Church System wouldn't allow due to lack of a Bible College degree or ordination.

Phase 3: Invest in income-producing ventures

- Increase income-earning/saving potential of individuals
 - Vehicles to get to work...carpooling/loaning available vehicles/purchase
 - Renovations for emergency / long-term housing for communal living
 - Education to increase employment value
 - Tradesmen mentoring apprentices = trading knowledge for labour
 - Homeschool pods for working families needing daycare/schooling support
 - Homecare support for elderly to stay out of the gov't system
- Providing start-up resources debt-free for home-based business ventures
 - Financial investment for supplies
 - Pulling on non-financial assets for mentorship, developing business plans, portfolios, free labour to get started, etc.
 - Leveraging/promoting the business to meet needs within the body of Christ

Phase 3 Examples:

- Grandparents of multiple homegroup members heard what we were doing and got on board with investing in multiple vehicles & education support for their grandkids & families to remain debt-free. The vision of multi-generational transfer of wealth, skills, knowledge, & destinies gave “washed out & waiting to die” elderly a renewed sense of purpose and excitement for life.
- A talented artist was given a blueprint to teach art classes. We used our own wide range of ages from 3 – 80yrs for developing lesson plans, photo ops, developing student samples portfolios to showcase, others networked her to an entrepreneurial mentor for business coaching that saw potential for a second business of creative, artistic organization and third business of home cleaning. 3 homebased businesses were birthed and producing income to keep their financial heads above water without sacrificing homeschooling or needing to pay for babysitters.
- Applying & teaching about supernatural & natural healing & power of the prophetic word eliminated need for \$1500/mo silver impregnated wound care products for diabetic foot ulcer; no need for wheelchair & commode purchases; Tube feeding pump rental/purchase no longer required.

Phase 4: Knock Out Mortgages

- Prioritize faithful hospitality homes
 - Emergency shelter
 - Spiritual support
 - Home space for larger home-gatherings
 - Land for planting permaculture food forests for the famine & dearth ahead.
 - Strengthen the foundational pillars, not the weeds that rob nutrients.
 - Lowest mortgages first...proves their own financial stewardship.
 - When able, flip mortgages into the Honeypot Loans for accelerated debt elimination.
 - Sell properties, flip inheritances to help others – Acts 4:36-37
 - Investing into younger generation's financial stability instead of RRSP's.
- ** Prophecy – Interest rates will return to 1970's levels = 17-25% interest, 13% inflation. Get mortgages paid off by August 2025.

Phase 4 Example:

- One family was fearing bankruptcy when COVID mandates forced a husband out of work. “Unlocking Your Finances” conference material was provided, along with other financial stewardship resources. Within 3 months, they had dropped their monthly expenses by over \$2000 and even further within 6 months. God’s favour returning to their finances, and the husband began to hear & obey God’s voice, much to the believing wife’s delight.
- God warned them in a dream to renew their mortgage early, granting them favour to lock in a 5-year fixed rate with option to slam the principle without usual penalties, shortly before the Bank of Canada rates started climbing wildly.
- God opened their infertile womb to conceive a healthy baby. Then they took in another homeless family for 12 months. Their mortgage was chewed down in accelerated fashion to \$115,000 as of the last update.
- Another hospitality home has only \$67,000 remaining at 8.75% interest rate at last update.
- A farmer cashflowed the development of 3 dwellings, economizing his land space & providing much needed low-income housing, while all available community hands pulled together for labour of the housing and then in return farm labour.

Phase 5: Possess Your City!

- Eventually, establish a national level storehouse for financial overflow in line with Hezekiah's stage 5, that can legally streamline moving large amounts of wealth.
- Those who own & run the city have the clout.
- Grace & Favour are EXCLUSIVE to promoting Kingdom of Heaven growth, not government or narrative controlled agendas.
- Leverage grass-roots power of the networked homegroups to impact all 7 mountains of society.

Phase 5 Example:

- Although the NGO has not yet been established, the unvaxxed community and preppers communities impacted their regions throughout COVID, each strengthening the fabric of their own spheres of influence.
- When a business's septic tank went kaput, temporary porta-potties were immediately arranged for delivery until the septic tank repair could be arranged, keeping them and everyone who relied on them in business.
- Businesses threatening foreclosure had their mortgage payments paid to keep their broader emotional & relational support of over 200 children & their families going during the tightest squeeze.
- Political grassroots movements were rapidly grown & people power networked that gave righteous leaders a voice and awareness to garner votes.

Who Stewards the Honey pot?

- One who is already proven their financial stewardship
- Generous & sacrificial love for others
- Enjoys transparency
- Debt-Free, not needing to use the honey pot to avoid jealous accusation
- Enjoys administrative tasks
- The spiritual parents of the home-group
- Free from Mammon, Poverty & Shame spirits
- Evidence of Deuteronomy 28 blessings & absence of curses
- Filled with Holy Spirit with evidence of abundant FRUIT in their lives

Where are you now? How do you SHIFT?

3 GROUPS:

- Takers / Manipulators / Victims
- Givers / Enablers / Healers
- Leveragers and Influencers

Takers enable slavery. Givers bring relief, but leveragers create fruitful multi-generational disciples that can release the Kingdom of Heaven!
